VETERINARY CENTER POLICY (Please Read)
For the protection of your pet as well as others, all pets remaining in the hospital for any reason must have current vaccinations for infectious diseases and be free of external parasites (fleas, ticks, etc.). If not, they will be treated at the owner's expense upon entry. If an emergency should arise with your pet and we are unable to reach you, appropriate treatment will be administered. We are always happy to give estimates of our fees at your request. Payment in full is due when your pet is released from the hospital.

I understand the above policy and plan to pay today by: Cash Check Credit/Debit Care Credit
